Nach dem genauen Ausrichten ist eine Wandmontage aus Sicherheitsgründen, aber auch aus Funktions- und Stabilitätsgründen unbedingt notwendig.

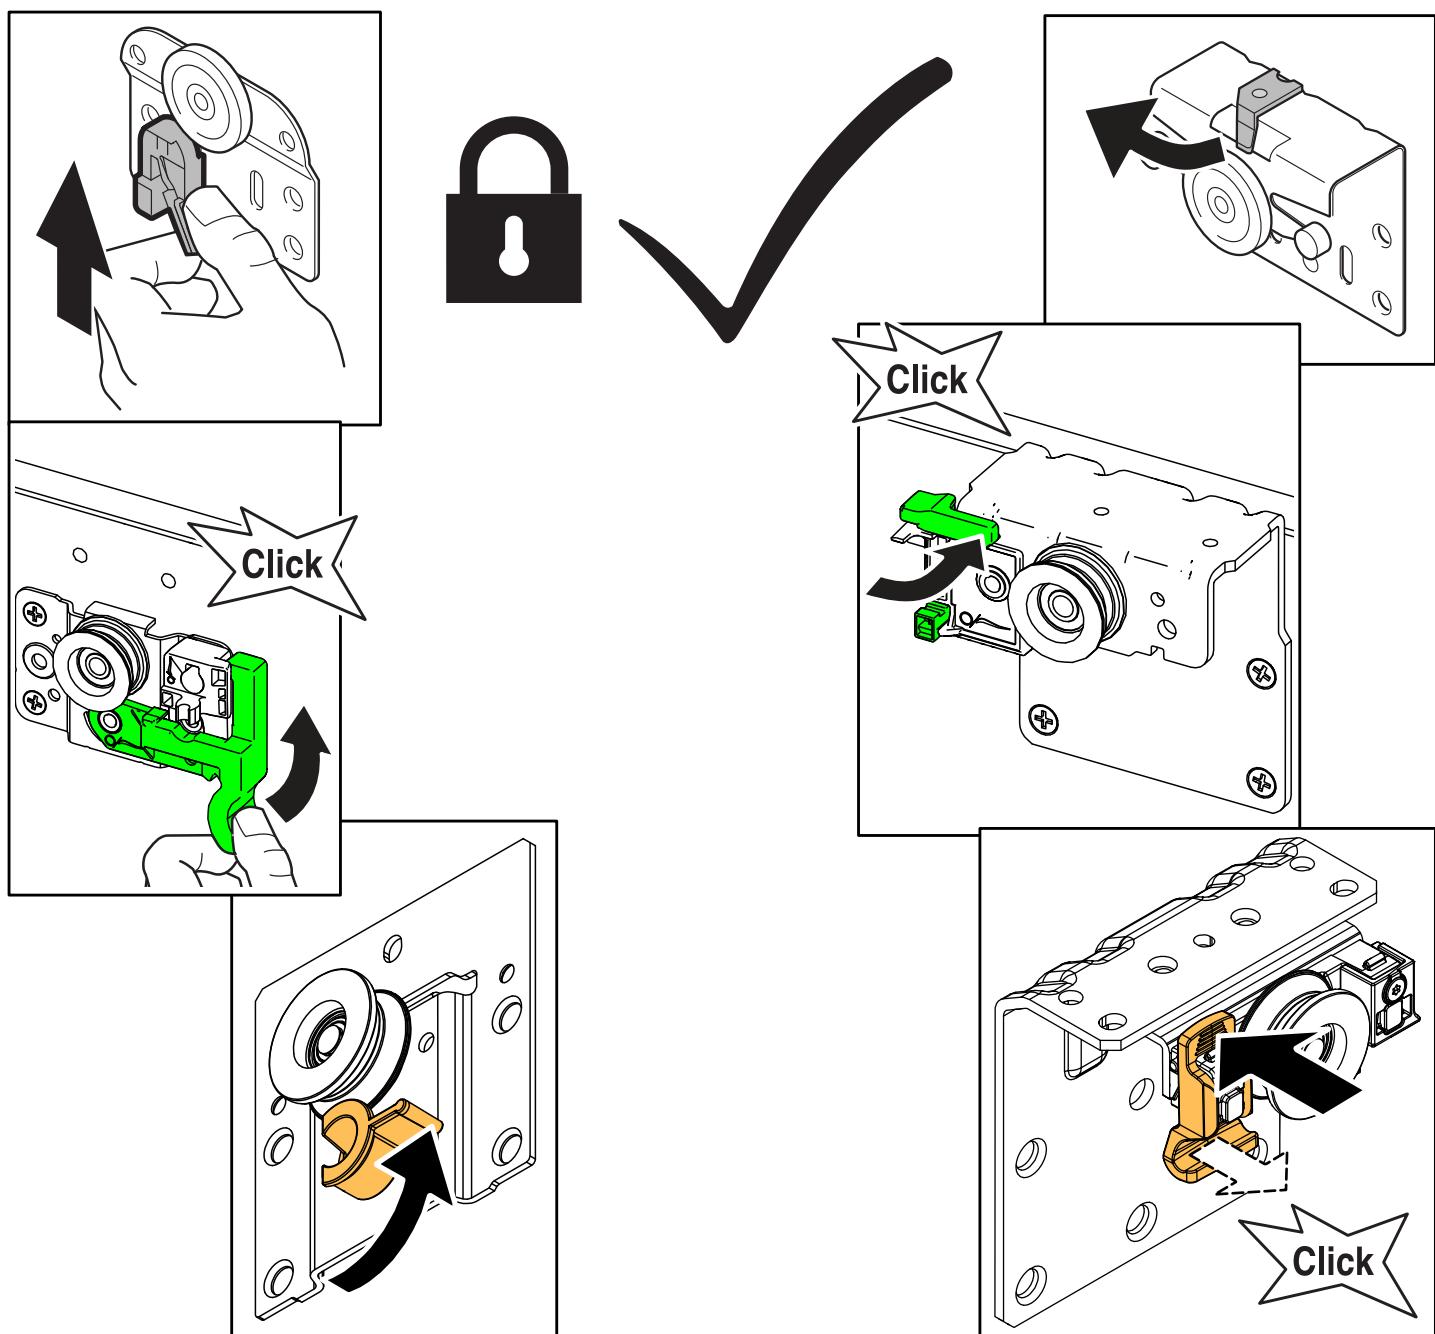

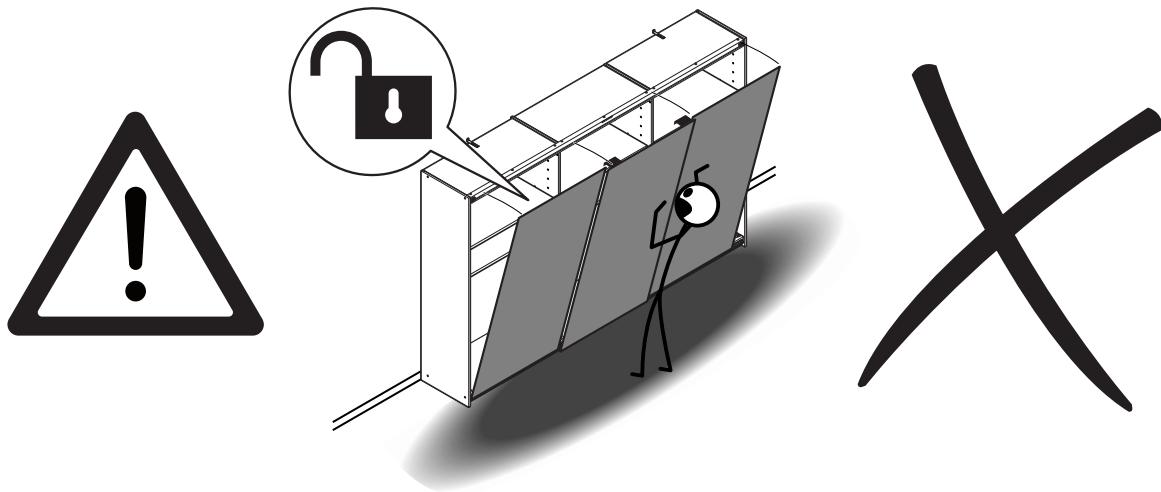

Das mitgelieferte Wandbefestigungsmaterial (Dübel, Schrauben) ist ausschließlich für die Befestigung an Beton und/oder festem Mauerwerk geeignet. Bei abweichender Beschaffenheit (z.B. Gipskarton- oder Leichtbauwände) ist entsprechendes Befestigungsmaterial im Fachhandel zu besorgen.

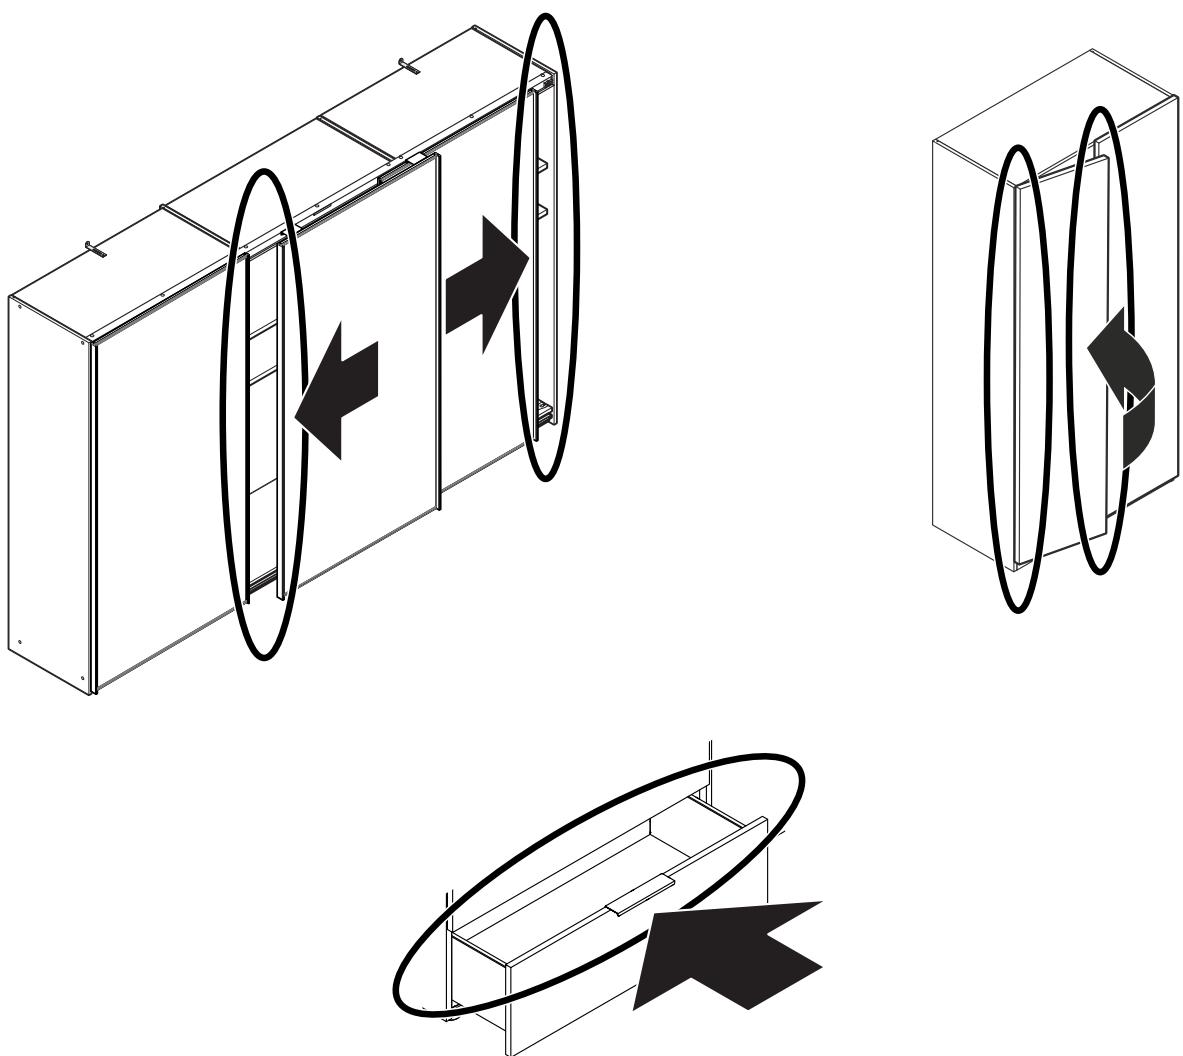

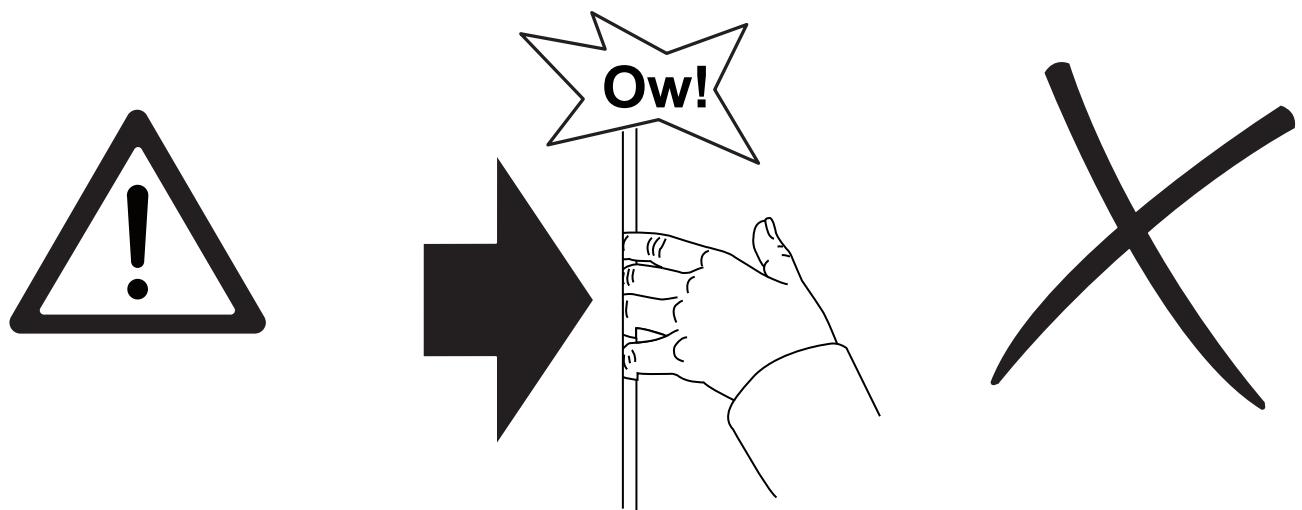

GB

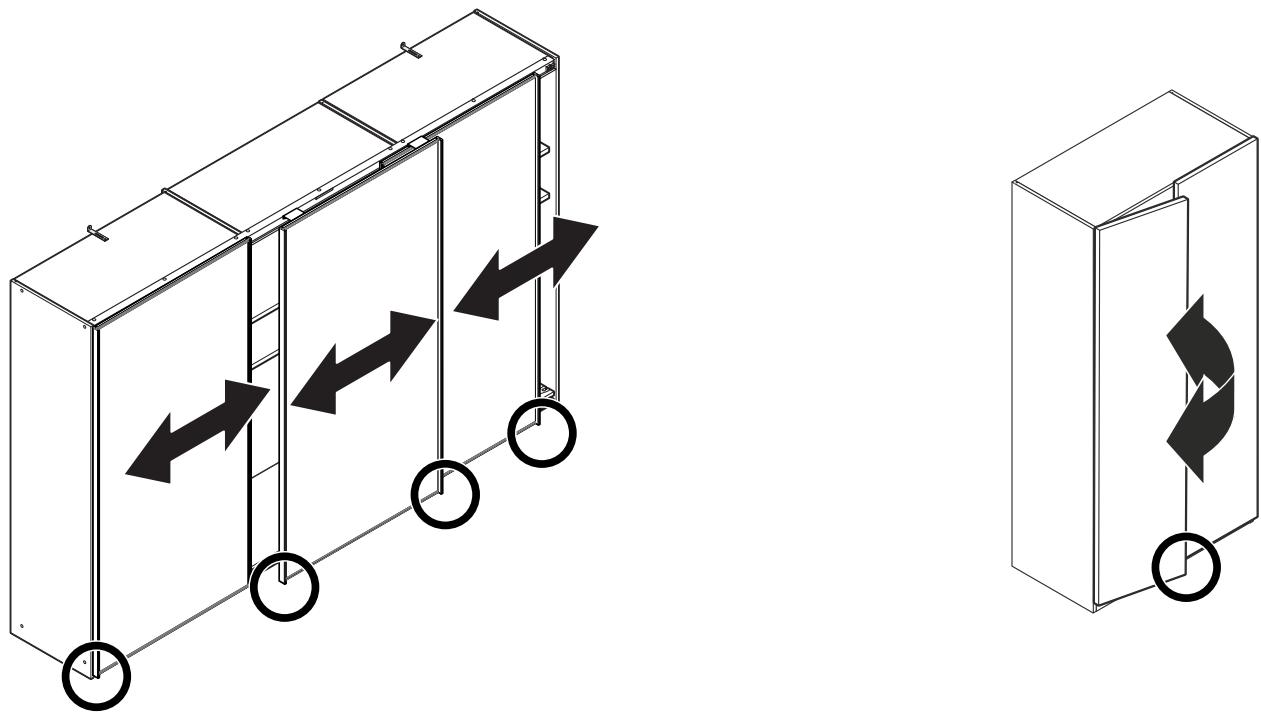

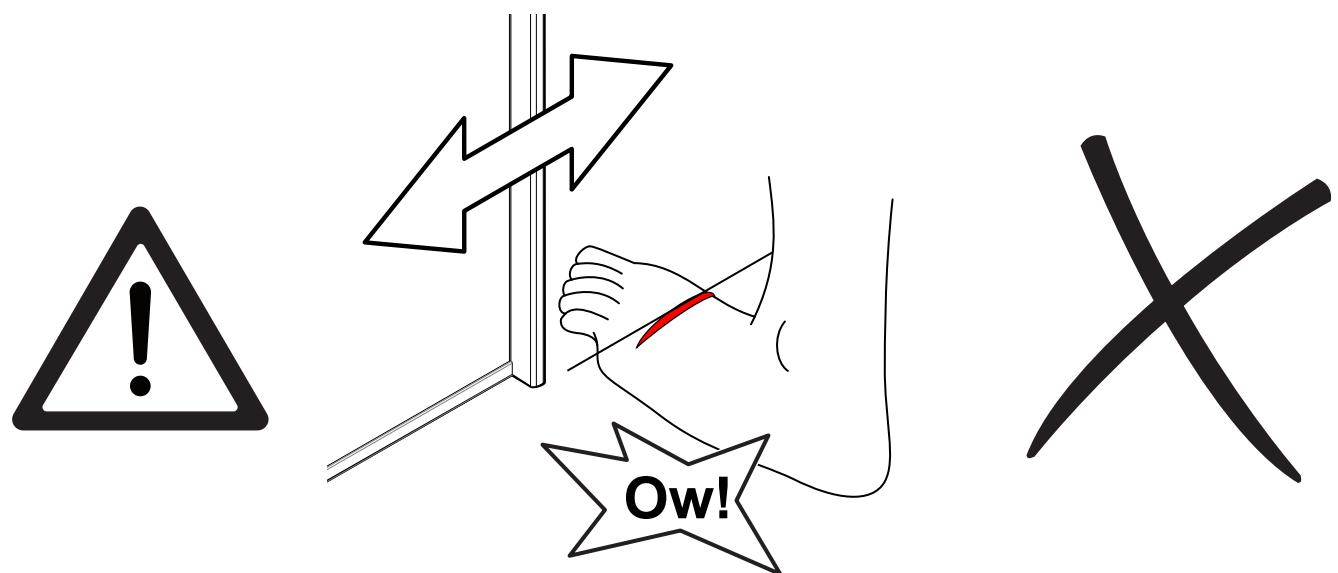

Following precise alignment, wall attachment is absolutely necessary for safety reasons as well as function and stability.

The wall fixings included in delivery (dowels and screws) are solely suitable for attaching to concrete and/or solid masonry. In case of different characteristics (e.g. plasterboard or lightweight walls), appropriate fixings must be obtained from the specialist trade.
